

WHY CHOOSE INTEGRATED HEALTH FOR YOUR WORKSTATION ASSESSMENT?

Specialist

Our consultants are chartered physiotherapists and members of the Association of Chartered Physiotherapists in Occupational Health and Ergonomics (ACPOHE). We specialise in complex musculoskeletal disabilities, new and expectant mothers, visual, hearing, learning and post-surgical impairments.

Experienced

Integrated Health has provided its services to private individuals, small to medium enterprises and multinational corporations across a variety of sectors including financial, legal, charity, media, architecture, biomedical, IT, etc.

Independent

Our consultants have no affiliation to any product and/or manufacturer and thus provide a wholly unbiased assessment.

Up-to-date

Our consultants attend regular training events keeping them abreast of the latest medical and technological advances (chairs, input devices, screens etc.) and can therefore provide the best solution for you or your business.

Recommended

"I have never had such a thorough, thoughtful, or excellent assessment anywhere I have worked like I did today"
